WORK EXPERIENCE

QUALIFICATIONS

I have successfully completed my 12th grade education, earning my qualification as a 12th pass. Throughout my academic journey, I have demonstrated a strong commitment to learning and a thirst for knowledge. My 12th pass qualification reflects my dedication, perseverance, and ability to meet academic requirements. It has equipped me with a solid foundation in various subjects, including mathematics, science, literature, and social sciences. I have honed my critical thinking, problem-solving, and analytical skills during this educational phase. My 12th pass qualification not only signifies my academic capabilities but also highlights my readiness to take on new challenges and pursue higher levels of education or enter the professional world.

INTERESTS

I have a genuine passion for creative digital arts and technology, which is reflected in my keen interest in photo editing, video editing, web development, and 3D animation. Exploring the realms of visual storytelling, I find immense joy in transforming ordinary photos into captivating works of art through photo editing. With a meticulous attention to detail and a flair for creativity, I thrive in the world of video editing, where I can seamlessly weave together footage, add effects, and craft compelling narratives. Additionally, my fascination with web development drives me to create engaging and user-friendly websites, utilizing my skills in coding languages such as HTML, CSS, and JavaScript. Furthermore, the captivating world of 3D animation has captivated my imagination, and I enjoy bringing virtual worlds to life, creating stunning visuals and immersive experiences. My diverse interests in these areas reflect my dedication to mastering the craft and my enthusiasm for pushing the boundaries of digital creativity.
